

## United Arab Emirates

- The commercial and organizational hub for Dow's growth strategy in the Middle East, North Africa and Turkey
- Two landmark joint ventures

The UAE serves as the hub for Dow's growing business and organizational presence in the Middle East. Our innovative solutions are applied in the construction, coatings, petrochemicals, energy and water industries, and our sustainable products are found in many of the region's iconic developments.

### Our Presence

- **Dow Chemical IMEA GmbH:** Dow maintains commercial and administrative offices at its regional headquarters for the Middle East and Africa in Downtown Dubai. Located next to the iconic Burj Khalifa, the office houses employees representing commercial, finance, human resources, IT, public affairs, government affairs, business services and legal organizations, along with the offices of the regional leadership.
- **UCAR Emulsion Systems FZE:** Dow's Jebel Ali facility, one of the first investments in the Jebel Ali Free Zone, provides regional coatings and construction customers with the most advanced materials available in the industry. The site also houses technical application centers in paints and coatings, Home & Personal Care and Microbial Control.

Dow's Jebel Ali facility houses technical application centers in paints and coatings, Home & Personal Care and Microbial Control.

- **Arabian Chemical Insulation Company FZCO (ACIC):** Incorporated in 2004, ACIC is a Dubai-based joint venture with E.A. Juffali & Brothers, whose primary activities is the production of Styrofoam™ and other types of insulation for various applications.
- **MEGlobal:** Dow is an equal partner with Petrochemical Industries Company (PIC) of Kuwait in this joint venture headquartered in Dubai. MEGlobal is a world leader in the manufacturing and marketing of merchant monoethylene glycol (MEG) and diethylene glycol (DEG), collectively known as ethylene glycol (EG).

### A Community Partner

Dow actively supports the social and economic aspirations of the communities in which we operate and believes that the health of its business is intertwined with the health of these communities. We partner with local organizations that can deliver on mutually developed objectives that touch on education and training, entrepreneurship and sustainability.

Dow employees support the Injaz Job Shadow Day and helped launch the first-ever Innovation Day Camp.

- **Injaz Al-Arab:** Dow employees volunteered with Injaz-UAE to launch the first-ever Innovation Day Camp (I-CAMP). Dubai employees also support the Injaz Job Shadow Day, allowing students the opportunity to observe individuals in their daily activities in different roles.
- **Dubai Charity Association (DCA):** For the past four years, Dow has hosted an annual Ramadan Iftar for orphans in the care of DCA. Dow has also worked with the DCA to raise funds for the organization during the month of Ramadan to support the organization's charitable works.

### A Company of Solution Providers

The Dow Chemical Company combines the power of science and technology to passionately innovate what is essential to human progress. Bringing together science and the human element to create solutions for some of the world's most pressing challenges is at the heart of everything we do. That is Solutionism: the new optimism.

Our diversified portfolio of specialty chemicals, advanced materials, agrosience and plastics businesses manufacture more than 5,000 products at 188 sites in 36 countries across the globe.
